

## Environmental Sustainability Policy

Final Trim Operators Pty Ltd is aware of their duty to preserve the environment and conducts all business activities in a manner which ensures Final Trim Operators Pty Ltd is a supportive corporate citizen and employer/person conducting a business or undertaking (PCBU).

Final Trim Operators Pty Ltd will continue to meet community and government expectations in regard to ensuring healthy workplace conditions for all Final Trim Operators Pty Ltd employees/workers and the public collectively.

In applying this Policy, Final Trim Operators Pty Ltd's activities shall be controlled by the following principles.

Final Trim Operators Pty Ltd shall:

- Abide by all Legal Obligations, Standards Codes of Practice and other requirements;
- Implement and maintain a positive attitude towards continual improvement;
- Ensure that Final Trim Operators Pty Ltd's employees and clients are informed of this Policy and are aware of their environmental responsibilities in relation to all business activities; and,
- Communicate openly and honestly with employees/workers, government bodies, industry associations and clients on relevant workplace environmental matters to ensure all legal obligations and other requirements are maintained.

Thomas Dunne,  
Managing Director
